The Instruments For The Disadvantaged Children Grant Program is open to any child who is the member of a financially disadvantaged household. The household must not have an adjusted gross income higher than \$15,000 during the previous tax year. Preference for members or relatives of members is given to instrument recipients.

Please include a letter stating the child's past involvement with polka music and indicate their future aspirations with and in polka music. A letter from a musical instructor to support this application is preferred but not necessary. You will also need to include a copy of your previous year's federal tax statement indicating your adjusted gross income.

Mail 3 copies of your completed application along with 3 copies of appropriate documentation not later than August 1st, 2008. Instrument recipients will be announced October 1st, 2008.
